our story

Rockflowerpaper brings the essence of nature home. We are based in the San Francisco Bay area and love transforming proprietary art and design into sophisticated, strong and colorful products that are well priced, tasteful and of a very high quality, inspired by our travels to India, Vietnam, the South of France, and London.

They include round, square and rectangle serving trays, weekender tote bags, Turkish beach or bath towels, table placemats, drink coasters, canvas tote bags, crossbody and carryall shoulder bags, scarves, jute containers, and more! It all works together to make a beautiful statement.
